

## Services

### Books and Journals

Use iDiscover to check if we have the books and journals (both paper and electronic) you need:

[www.idiscover.cam.ac.uk](http://www.idiscover.cam.ac.uk)

You can borrow 5 books for 4 weeks, and you can renew the loan 4 times.

We're happy to receive your recommendations for items to purchase.

Photocopiers & scanners are available for your use.

### Document Delivery

If we don't have the book or journal you need, we can order it for you.

Ask staff for details, see the [website](#).

### Computers

The Wolfson Room has 30 computers. Login using your library card number.

Resources include:

- Internet access
- Microsoft Office
- SPSS and Endnote
- Scanners
- Double sided, black & white and colour printing available (buy credit from Library issue desk)

Connect your own laptop or mobile device to wifi — UniofCam/Eduroam

### Study Spaces

Need a quiet place to read or study? Come to the Library. A variety of study spaces are available.

## Help and Advice

### Information Clinics

*Information Clinics* are designed to be one-to-one sessions focusing on YOU, and YOUR QUESTION.

In the Library, or at your desk, and available at a time that suits you - we can provide personal support from a professional Librarian.

We're also happy to carry out a literature search on your behalf – just tell us your question, and we'll do the hard work!

### Research Support

We provide a range of free training sessions for all our members.

Training is offered in group, individual and paper formats, all designed to suit your pace and needs.

- Library introduction
- Literature searching for Nurses and Allied Health Professionals
- Systematic Reviews: "how to" guide
- Reference Management (Endnote, Mendeley, Zotero)
- PubMed
- Finding e-journals
- Web of Science
- Critical Appraisal

For full details of the workshops and "teach yourself" guides go to: [library.medschl.cam.ac.uk/research-support/](http://library.medschl.cam.ac.uk/research-support/)

## Remote Access to Library Resources

### Help and Support

Ask a Librarian by phone or email if you're having problems getting the information you need when you're away from the Library.

Email: [library@medschl.cam.ac.uk](mailto:library@medschl.cam.ac.uk)

Phone: 01223 336750

### ATHENS and RAVEN passwords

Access to electronic resources (e-journals, e-books and databases) is often password controlled.

**NHS staff** and **Clinical Students** should register for an **ATHENS** password.

- Complete the online self-registration form at: <https://register.athensams.net/nhs/> (ideally use an NHS computer)

**University staff and students** should use their **RAVEN** passwords to access electronic resources when off campus.

- To get a RAVEN registration see [www.ucs.cam.ac.uk/docs/faq/raven/n5](http://www.ucs.cam.ac.uk/docs/faq/raven/n5)

*Please note – you may be entitled to have both NHS ATHENS and University RAVEN registrations.*

More details and support are available from Library staff
